Petition to Members of the Joint Committee on Finance Opposing A Cigarette Tax Increase

We, the undersigned appreciate this opportunity to communicate with you about an issue that directly affects our pocketbooks — the proposal to increase state cigarette taxes.

In a year when there is no budget crisis in our state, we do not understand why our representatives in the State Legislature would impose such a punitive tax on just one segment of the population — a tax that affects smokers so directly.

On behalf of all smokers in our area, I would appreciate your voting against any increase in cigarette taxes.

Since I must be on the job during daytime hours, I am unable to attend the special legislative hearings on the budget. I appreciate you having these regional hearings and hope you will accept this petition on behalf of people who will be directly affected by your actions.

Sincerely.
